## PRINCIPAL'S CORNER

Dear Parents, Guardians & Friends of HMS Scholars,

Believe it or not we've made it through the first month of the academic year. During the course of this past month our scholars were assessed on their math and language arts acumen in LinkIt A to establish a working baseline of their skills and readiness. This data outcome will help HMS practitioners in purposefully planning to address the gap areas where our scholars may need the most support to improve.

While on the subject of data analysis of our scholars and their proficiency in mathematics and language arts, be on the lookout for your child's Individual Student Report (ISR) on SY18-19 NJSLA outcome. This document will give you as a parent/guardian an insight on how well your child performed on the state assessment and how their performance outcome compares to our district and the state.

Lastly, parents/guardians be sure to mark your calendar to join us on 17-Oct-19 at 5:30 PM as we acknowledge our learning community's diversity in celebrating Hispanic Heritage Month. Be sure to come out and show your support for our scholars and our school.

Remember our motto:

**"Forward Ever, Backwards Never -  
#Prepared #Productive #Proud."**

Educationally yours,

Mr. Kwame W. Asante, Principal
